

Post Adoption Reports: COLOMBIA

For families that finalized their adoption (Sentencia) **BEFORE** 1-19-2021

1-month contact visit and report: Nightlight requires that you have a visit with your social worker within 1 month of arriving home with your child(ren). The social worker will need to complete a one-month visit form and submit it to Nightlight. Since this report is only required by Nightlight, it will not need to be notarized and you do not need to submit a photo collage.

Agency Completed Reports: Due in country **6 months, 12 months, 18 months and 24 months** after finalization. Due to Nightlight 1 month before the country due date.

Report Template: Colombia requires a specific template that is provided on our webpage in a Word version. There is information on the first page that you will need to email the Post Adoption Coordinator to obtain such as the SIM number and region of the administrative process. Please keep reports 3-4 pages maximum, unless it is a combined sibling report or the family has significant circumstances to report. These reports are translated by page and this helps save on costs.

Self-reporting: Not permitted in Colombia
