

Post Adoption Reports: Individualized Country Program (ICP)

This information should be used by the adoptive family and post adoption report agency

1-month contact visit and report: Nightlight requires that you have a visit with your social worker within 1 month of arriving home with your child(ren). The social worker will need to complete a one-month visit form and submit it to Nightlight. Since this report is only required by Nightlight, it will not need to be notarized and you do not need to submit a photo collage.

Nightlight staff, please complete the 1-month report form in SAM

Agency Completed Reports: Due in country **6 months and 1 year** after your child's arrival home. Due to Nightlight 1 month before the country due date.

Please note that the specific country you adopt from may include additional reporting requirements at the time of court, so these requirements are subject to change.

Report Template: There is not a required report format, so you may use your own agency template or [this template](#). Please keep reports 3-4 pages maximum, unless it is a combined sibling report or the family has significant circumstances to report. These reports are translated by page and this helps save on costs.

Siblings: Any siblings can be included in the same report.

Self-reporting: Not required for ICP cases
