Nightlight® Christian Adoptions International Adoption Program Description

Albania

GENERAL INFORMATION

Albania, on Southeastern Europe's Balkan Peninsula, is a small country with coastlines on the Adriatic and Ionian seas and an interior crossed by the Albanian Alps. Along its southern coast, the Albanian Riviera is known for its traditional Mediterranean villages, beach resorts and vibrant nightlife. With history stretching back to antiquity, Albania is also rich in castles and archaeological sites. The capital is Tirana. Albania is party to The Hague Convention on Protection of Children and Co-operation in Respect of Intercountry Adoption (Hague Adoption Convention). Therefore, all intercountry adoptions between Albania and the United States must meet the requirements of the Convention and U.S. law implementing the Convention.

Albanian adoptions are conducted through a collaborative effort of a Hague accredited adoption agency in the US and by the Albanian Central Adoption Authority (Albanian Adoption Committee/Ministry of Justice).

CHILDREN AVAILABLE

- Both boys and girls are available for adoption.
- Children as young as 2 years and as old as fifteen are available for adoption. (wait time for a referral of a child under 4 years old can be up to 3 years.)
- Sibling groups are available.
- Children with Special Needs are available for adoption.

ELIGIBILITY TO ADOPT

Applicants must be at least 18 years older than the child they are adopting. Both married couples and single women may adopt from Albania. Applicants must be in good health, own a home, and must have a positive net worth. Albania will not accept applicants with a criminal history, history of drug/alcohol abuse, or a history of pornography. Albania is reluctant to accept families with significant medical, psychological, psychiatric conditions. Families with Albanian heritage who meet Albania's adoption requirements may experience shorter wait times for referrals.

PROCESS

- 1. Make application to Nightlight Christian Adoptions.
- 2. Begin your **adoption home study** and submit **form I-800A** to USCIS.
- 3. Begin to assemble your dossier. We will give you detailed instructions.
- 4. Once USCIS has approved your adoption home study, you will receive your I-797C pre-approval notice.
- 5. Once your USCIS approval has been received your dossier is complete, you will be registered to adopt in Albania.
- 6. The Albanian Central Authority will add you to a list of waiting families and it can take 18 to 24 months to receive a referral.
- 7. Complete official referral review with Nightlight's Social Services Department
- 8. Upon referral acceptance, Nightlight will begin processing the family's I-800.
- 9. You will then travel to Albania for your first court date and to meet and bond with your child (a minimum of 2 weeks for bonding).
- 10. At your first court hearing, you will be given a date for the 2nd hearing. It is typically a month or more after the 1st court date.
- 11. After your 1st court hearing, you and your child will meet with a psychologist who will write a report for the court.
- 12. The adoption is granted at the 2nd court hearing. You must wait for the adoption sentence to be issued in writing. This is then sent by mail to the attorney and the children's home. You must wait at least 2 weeks after receipt of the sentence to move through the remaining process.
- 13. Once you have received the court decree, the guide will assist you in obtaining the birth certificate and passport.
- 14. The final step is to obtain the US visa for your child and returning home. Most families will remain in Albania for a minimum of 60

- days for the adoption process to be completed. However, some families may choose to make 2 or 3 trips to Albania depending upon the timing of court hearings.
- 15. The children reside in children's home while awaiting adoption. You cannot obtain custody until the official sentence is received and the Albania Adoption Committee has given you custody of the child.
- 16. Albania adoptions can take on average from 24 to 48 months to complete.

TRAVEL & ADOPTION

You receive a referral of a child from Nightlight Christian Adoptions through the Albanian Adoption Committee. The referral will include a brief social history of the child, and the current health and development of the child. We highly recommend that you have this information reviewed by a doctor who specializes in international adoption before you make a decision. Once you decide to accept a referral, you will be considered "matched" with the child. You will then wait for an invitation to travel to Albania for court. Most families invited to travel receive very short notice, at times only a few days' advance notice is given. When you are invited to travel, you will know the date of your first court hearing. Your court date may be 3 weeks out from your invitation, but because you must spend two weeks bonding with your child prior to court, this creates very short notice for you to travel. For the first trip, you will be in Albania at least 2-3 weeks. Once you travel to Albania for the second trip, you will remain in Albania a minimum of 60 days to process the adoption or you may choose to make 2 or 3 trips depending on the timing of your scheduled court dates. The first 2 weeks are spent bonding with your child. During these two weeks you will visit the orphanage daily. After 2 weeks, you will attend your first court date. At the first court date, you will be given a 2nd court date. This could be just a few days or a few weeks apart. Between the 1st and 2nd hearing, you and your child will meet with a psychologist and the psychologist will write a report to the court. It is at your 2nd court hearing that the adoption is usually granted, but you must wait for the written decree to be issued. This process can take 2 weeks to 2 months. Once you receive the court decree, the guide will assist you in obtaining a new birth certificate and passport and begin the visa process. Both parents do not have to remain in Albania the entire time. Both parents must attend the initial two week bonding period and the court hearings.

POST ADOPTION

Within 30 days of your arrival home, you must have a home visit by your home study provider. Your home study provider will prepare post-adoption reports and submit them to Nightlight at 6 months, 12 months, 18 months, and 24 months after the adoption is finalized. These reports include your child's developmental progress and pictures. This is a very serious commitment; Nightlight is committed to showing the Albanian Adoption Committee and birth families that children adopted by US citizens are healthy and cared for well. Compliance with post adoption reports is also required by The Hague Convention. Therefore, Nightlight charges a fee to monitor and process these post placement reports and also requires families to pay for the cost of the post adoption reports in advance.

COSTS

The program fee for an Albania adoption is \$22,400. Your additional costs will include home study, USCIS approval, notary & apostille fees, airfare, hotel, in country guide, and embassy fees as shown on the fee schedule. Your out-of-pocket expenses may further be reduced if you receive scholarships, grants or employer-provided adoption benefits. For additional fee information please see Exhibit A.

Please contact Lynn Main at Lynn@nightlight.org or call our MO office at (636-797-4100 x221) with any questions.

The cost of operating an international adoption program is substantial and increasing with the additional compliance requirements under the Hague Convention on Inter- country Adoption. The nature of international adoption makes it impossible to predict the exact costs you will incur, but we believe the estimates above are realistic. Although we strive to maintain a predictable fee schedule, unexpected increase in our costs may necessitate an increase in fees. Therefore, fees may be increased upon 90 day notice. Program fees are paid in phases and are non-refundable. Nightlight establishes a budget for costs each year based on the number of adoptions it estimates completing, as well as revenue from grants and donations. Based on these estimates, we establish program fees to cover the costs of attorneys, facilitators, social workers, insurance, and other costs we incur. Of course it would be prohibitive to allocate all of the costs (payroll, rent, insurance, supplies, travel, etc) to one adoption in one program.

A late fee of 12% annual (1% monthly) will be assessed for fees more than 30 days past due.
