

Post Adoption Reports: **PAKISTAN**

This information should be used by the adoptive family and post adoption report agency

Agency Completed Reports: Due in country **3 months and 6 months**, in addition to any state required reports required to finalize the adoption.

Report Template: This country does not have a required report format, so you may use your own agency template or [this template](#). Please keep reports 3-4 pages maximum, unless it is a combined sibling report or the family has significant circumstances to report. These reports are translated by page and this helps save on costs.

Siblings: Any siblings can be included in the same report.

Self-reporting: 12 months, 18, months, 24 months

Photograph Requirements:

Adoptive family, please gather eight recent photos, some of which should include the adopted child with both parents. Arrange in a 1-2 page collage in a Word document (or similar) and e-mail these pages to your Post Adoption Coordinator. Please include pictures to show cultural celebrations. Photos should not include any alcohol images or culturally inappropriate showing of skin.

Post Adoption Report Submission:
